2010 Summer Meeting Indiana Chapter of the Society of American Foresters

Hardwood Tree Improvement Research in the Central States

September 1 & 2, 2010
Wright Center (Martell Forest)
West Lafayette, IN

Society of American Foresters

This meeting will highlight activities of the Hardwood Tree Improvement and Regeneration Center over its first decade of existence at Purdue University. Presentations will focus on past and future tree improvement research activities, including discussions on invasive species, tissue culture systems, fertigation systems, and breeding trials.

Meeting location is the Wright Center located at the Martell Forest near West Lafayette, Indiana. Registration cost is \$75.00 for members and \$100.00 for non-members. Blocks of hotel rooms have been reserved in West Lafayette and Lafayette.

This program has been reviewed and is approved for professional CFE credits by the Society of American Foresters.
