

2023 Indiana Society of American Foresters Forest Pesticide Training Program

Wednesday, November 29th, 2023

**Hendricks County 4-H Fairgrounds and Conference Complex
1900 E. Main St., Danville, IN, North and South Halls**

Education Credits

This program applied for credits in category 1 from the Society of American Foresters, and has been approved for 4 CCH credits in category 2, 6 and RT, and 3 credits in category 3A from the Office of the Indiana State Chemist.

Cost

The **registration fee is \$50.00 for SAF members or \$65 for non-members** and includes meeting materials, snacks and drinks during registration and at the breaks. Lunch is on your own. There are several fast-food and sit-down restaurants near the complex and in Downtown Danville. Additional restaurants are available east of Danville on US 36.

Registration

Please register by November 21. There are two ways to register. You can register online with your credit/debit card by going to www.indianasaf.org . Registering online is fast and easy and you will receive a receipt via email in less than five minutes. If you choose not to register online, you can fill out the following form and send a check to: **Jordan McGuckin, 12875 West Sawmill Rd, Columbus, IN 47201. Make checks payable to: Indiana Society of American Foresters.** Program questions may be directed to Lenny Farlee lfarlee@purdue.edu .

Registration – Forest Pesticide Training Program – Wednesday, Nov 29, 2023

Name _____

Employer _____

Address _____

Phone _____ Email _____

SAF or CF member number to qualify for \$50 rate _____

Agenda

8:30-8:55 am, Registration/refreshments

8:55 – Welcome and program information

9:00 – 9:30 am, Joe Becovitz – OISC update and herbicide label comments

9:30 – 10:30 Jarred Brooke and Ron Rathfon – prescribed fire as a tool for invasive species management

10:30 – 10:45 am, Break

10:45-11:15 Jarred Brooke - Controlling Honeysuckle from the Sky

11:15 – 12:00 Fred Whitford – Railroad tracks and utility wires—nothing to get tangled with

12-1:15 pm, Lunch on your own

1:15 – 1:45 pm, Megan Abraham, News from IDNR Entomology and Plant Pathology

1:45 – 2:15 pm, Phil Marshall – Forest Health Update

2:15-2:30 break

2:30-3 Brad Engle – Slash deer exclusion fences

3-3:30 Dan Shaver- 314 Brush Management – Chemical, non-chemical, and biological control

3:30 pm, CCH paperwork and adjourn – **thank you for attending!**

Please remember to bring your pesticide applicator license number and your SAF or CF number to apply for credits. If you forgot your license number, you may use the last 4 digits of your Social Security number. Check the OISC applicator site to confirm your CCH credits. It may take a few weeks to post on your records, and recognize that when your 5-year recertification occurs, your credit balance will return to zero. Questions about your credit balance and certification should be addressed to the OISC. If you signed the workshop form at the end of the program, I can provide you with proof of attendance for this program if needed.

<https://inplants.oisc.purdue.edu/USAPlantsIN/NotAuthorized.aspx>

You must attend the entire program to receive full credit. If you arrive late or must leave early, please see Lenny Farlee to sign for partial credits.

Parking is available at the Conference Complex. There are several fast food and sit-down restaurants near the complex and in Downtown Danville. Additional restaurants are available east of Danville on US 36.

This program is provided by the Indiana Society of American Foresters with the cooperation of Purdue University Forestry and Natural Resources Extension and the Hardwood Tree Improvement and Regeneration Center.
