

## 2025 Indiana Society of American Foresters Forest Pesticide Training Program

Wednesday, November 19<sup>th</sup>, 2025

Hendricks County 4-H Fairgrounds and Conference Complex  
1900 E. Main St., Danville, IN, North and South Halls

### **Education Credits**

This program has applied for credits in category 1 from the Society of American Foresters, and has requested CCH credits in category 2, 3A, 6 and RT from the Office of the Indiana State Chemist.

### **Cost**

The **registration fee is \$50.00 for SAF members or \$65 for non-members** and includes meeting materials, snacks and drinks during registration and at the breaks. Lunch is on your own. There are several fast-food and sit-down restaurants near the complex and in Downtown Danville. Additional restaurants are available east of Danville on US 36.

### **Registration**

**Please register by November 14 .** There are two ways to register. You can register online with your credit/debit card by going to [www.indianasaf.org](http://www.indianasaf.org) . Registering online is fast and easy and you will receive a receipt via email in less than five minutes. If you choose not to register online, you can fill out the following form and send a check to: **Jordan McGuckin, 12875 West Sawmill Rd, Columbus, IN 47201. Make checks payable to: Indiana Society of American Foresters.** Program questions may be directed to Lenny Farlee [lfarlee@purdue.edu](mailto:lfarlee@purdue.edu) .

## Agenda

8:30-8:55 am, Registration/refreshments

8:55 – Welcome and program information

9:00 – 9:30 am, Joe Becovitz – OISC update

9:30 – 10:00, Phil Marshall, IDNR, Forest Pest Update

10:00 – 10:30 am, Vince Burkle, IDNR, Spotted Lanternfly Update

10:30-10:45 Break

10:45 – 11:30 Ron Rathfon, Purdue University, Injection Trials Update

11:30 – 12:00 pm, Will Drews, IDNR, Elm Zigzag Sawfly and Kudzu

12 – 1:15 pm Lunch on your own

1:15 – 1:45 pm, Mo Zhou, Purdue University, Invasive species treatment and reinvasion

1:45 – 2:30 pm, Stephen Meyers, Purdue University, Glyphosate 101

2:30-2:45 break

2:45--3:45 Fred Whitford, Purdue University, Drones

3:45-3:50 Dan Shaver, USDA NRCS, brief announcements

3:50 pm, CCH paperwork and adjourn – **thank you for attending!**

**Please remember to bring your pesticide applicator license number and your SAF or CF number to apply for credits. If you forgot your license number, you may use the last 4 digits of your Social Security number.** Check the OISC applicator site to confirm your CCH credits. It may take a few weeks to post on your records, and recognize that when your 5-year recertification occurs, your credit balance will return to zero. Questions about your credit balance and certification should be addressed to the OISC. If you signed the workshop form at the end of the program, I can provide you with proof of attendance for this program if needed.

<https://inplants.oisc.purdue.edu/USAPlantsIN/SecurityLogin.aspx>

**You must attend the entire program to receive full credit. If you arrive late or must leave early, please see Lenny Farlee to sign for partial credits.**

Parking is available at the Conference Complex. There are several fast food and sit-down restaurants near the complex and in Downtown Danville. Additional restaurants are available east of Danville on US 36.

This program is provided by the Indiana Society of American Foresters with the cooperation of Purdue University Forestry and Natural Resources Extension and the Hardwood Tree Improvement and Regeneration Center.
